Concept Story

Even now, Shiba area of Tokyo is where the atmosphere of Edo still exists.

Shiba Park Hotel is a good old hotel that has spelled out history in a way that breathes into the traditions and culture of this area.

The hotel retains its comfort, but has the face of a “Library Hotel” with a new collection of books centered on the climate, people, and history of the city.

We at Shiba Park Hotel aim to be a hotel where history and culture are spelled out over time and lead to a better and more prosperous tomorrow.
